In case you don't find a ticket for a direct flight or train, there are many other routes to get to the ashram easily. We can help you find the best alternate route, if necessary. For more information and assistance please contact us.

HOW MUCH DOES THE JOURNEY COST?

It really depends of course where you are traveling from. When we are booking flights for our teachers, we have seen that we end up spending between 500 and 650 Euros for going and coming back (for example, from Amsterdam to Khajuraho and back). Preparing your papers – Visa & Insurance

You will need a visa for traveling to India. There are different options to choose from. If you come to India to follow the teacher training course, please note that you should travel on a tourist visa. You can choose from different kind of visas, we recommend:

Latest Covid-19 Travel Requirements (2022-23)

India is now considered a low risk country, therefore travel restrictions in relation to Covid-19 are relaxed. The travel requirements for international travelers arriving in India are as follows:

Tourist visa on arrival (E-Visa):

This is the easiest option. The E-visa is valid for 60 days and available for citizens of over 176 nations. This visa allows you to arrange everything online, so you don't have to go to the Indian embassy or send in your passport. As a purpose for your visa application, you can state either "tourist" if you are planning to do some traveling too, or since recently there is the option to select "short yoga course". Important: E-visa has to be applied minimum 4 days in advance to arrival date!
